SUBJECT: FAIRA – UPDATES TO JOINT POWERS & LIABILITY RISK SHARING AGREEMENTS  
SIGNATURES REQUIRED BY ALL MEMBERS

FAIRA was created in 1988. Shortly thereafter our legal documents were produced and it has been many years since our Joint Powers Agreement (JPA) and Liability Risk Sharing Agreements (LRSA) have been updated.

Per the Board's direction over the past year, we have worked with counsel to make the necessary updates to each document. Most of the changes are minor and consist of updates that reflect the insurance program structure that the pool has today.

We have enclosed the following documents: (The items that we need from you have been highlighted in red.)

1. Memorandum from General Counsel summarizing the changes to the Joint Powers Agreement and the Liability Risk Sharing Agreements;
2. A complete updated copy of the Joint Powers Insurance Agreement for your permanent records.

## MEMORANDUM

**DATE:** September 27, 2019 **CLIENT/MATTER:** 1913-01

**TO:** Susan Blankenburg, FAIRA General Manager

**FROM:** Dale E. Bacigalupi, FAIRA General Counsel

**RE:** Summary of changes to FAIRA JPA Agreement and Liability Risk Coverage Agreement Approved by the FAIRA Board on September 9, 2019

1. Changes to the FAIRA JPA Agreement(the updated agreement will be called the "Sixth Amended Joint Powers Agreement):
  - Deletes unnecessary language that applied to the year 1993 and the early days of FAIRA.
  - Add a definition of "Claims Administrator" and requires FAIRA members to notify the Claims Administrator when a new claim arises.
  - Clarifies the process for removal of a FAIRA Board member when the Board member's sponsoring member District withdraws from FAIRA.
  - Makes other minor language adjustments to be consistent with revisions in the Liability Risk Coverage Agreement.
  
2. Changes to the Liability Risk Coverage Agreement:
  - The table of contents was deleted and replaced using Word's updatable table of contents feature.
  - Made numerous non-substantive revisions to make the agreement use more modern terminology used by public agency liability pools and to make it easier to understand by a non-lawyer.
  - Most of the articles and sections were rearranged to make the agreement flow in a more logical and consistent manner.
  - Revised all language limiting the type of coverage provided by FAIRA. For example, the definition of "Claim" was revised to more accurately reflect that a claim is a demand for coverage by a covered party rather than a demand by a third party against

an insured. The original definition did not capture the possibility of a demand by a covered party for first party loss, it only addressed third party losses.

- Removed all references to SIR dollar amounts.
- Removed all references to 1993 dates.
- Definition of “Participant” was changed to “Participating Member Agency.” This is to help clarify that all of the agencies who are parties to this agreement are FAIRA member agencies.
- Definition for “Adjustment Proportion” was removed as this definition was never used in the original version of the agreement.
- Removed language in recitals that was unnecessary since it was already included in the Joint Powers Agreement.
- Added definition for Joint Powers Agreement and added references to the JPA where appropriate in the text of the agreement.
- Added definition for “Memorandum of Coverage” and references the same where appropriate in the text of the agreement.
- Merged administrative, risk, and excess premiums into one single definition for “Premium.”
- The premium calculation was simplified – see new section 5.4.
- Removed the deductible premium and language regarding prepayment of deductibles.
- Changed the interest rate on overdue payment from 12% to 5%.
- Removed Exhibits A–F. Removed references to former Exhibits A–F. Former Exhibit G “List of Participants” is now Exhibit A. New section 11.2(b) indicates that Exhibit A is to be revised at least annually by the GM to reflect the list of participating member agencies for each coverage period.
- Removed Schedule B (it was blank anyway). Removed references to Schedule B.
- Changed termination provision. Agreement now terminates only upon the circumstances set forth in the new section 4.1
- Changed Schedule B to Exhibit B. New Section 11.2(b) indicates Exhibit B may be amended by majority of the Governing Board.
- Clarified language as to when withdrawal from the agreement becomes effective. Now states that withdrawal is “effective on the last day of the Coverage Period which first commenced within the twelve (12) month period following the request to withdrawal.” See new section 8.2(a). This is not a substantive change but this new language makes the intent more clear.
- Added section 5.5(c) to clarify that there are no premium adjustments with respect to excess insurance or reinsurance *unless FAIRA is required to pay all or a portion of a covered claim that excess insurance or reinsurance refuses to pay.* This does not change the substance of the original agreement as this language was previously buried in the second paragraph former section 3.5.

(a) Appoint, if applicable, its alternate to the Authority Board and remove such alternate, if necessary, as provided in Article 7 hereof;

(k) Provide the Authority with such other information or assistance as may be necessary for the Authority to carry out the joint protection program under this Agreement.

## **ARTICLE 20. CANCELLATION**

The Authority shall have the right to cancel any Member Agency's membership in the Authority upon a majority vote of the Governing Board. Any Member Agency so canceled shall, on the effective date of the cancellation, be treated the same as if the Member Agency had voluntarily withdrawn from this Agreement.

## **ARTICLE 21. WITHDRAWAL**

(a) A Member may withdraw from membership in the Authority upon advance written notice delivered to the Authority no later than twelve (12) months prior to the end of a Coverage Period; provided that the Liability Risk Coverage Agreement or another Insurance Program Agreement may set forth additional conditions to withdrawal. A Member

which no longer participates in any Insurance Program of the Authority, by reason of expulsion from an Insurance Program or otherwise, shall be deemed to have withdrawn from this Agreement and shall no longer be a party to this agreement. No withdrawal, however, shall relieve such Member from its obligations under any outstanding agreements except in accordance with such agreements.

(b) A Member Agency which withdraws or is expelled as a party to this Agreement must pay to the Authority, upon withdrawal or expulsion, the equivalent of ten percent (10%) of its annual Participation Premium payment.

(c) A Member Agency which withdraws as a party to this Agreement shall not be reconsidered for new membership until the expiration of one year from the effective date of the Member Agency's withdrawal.

(e) If a Member Agency provides less than the required period of notification of termination and/or withdrawal, or if such notice is not clear and unequivocal, that Member Agency shall remain a participant for the next Coverage Period, as defined in the Liability Risk Coverage Agreement, and should be liable to the Authority for all Premiums provided for its said Agreement.

(b) Upon termination of this Agreement, all assets of the Authority shall, after payment of all unpaid costs, expenses and charges incurred under this Agreement, be distributed among the parties that have been Participants of the joint protection program under the Liability Risk Coverage Agreement, including any of those parties which previously withdrew pursuant to Article 21 of this Agreement, in accordance with and proportionate to their cash (including premium) payments and property contributions, if any (at market value when received by the Authority), made during the term of this Agreement. The Board shall determine such distribution within six (6) months after the last pending claim or loss covered by the Liability Risk Coverage Agreement has finally been disposed of in accordance with that agreement.

(c) The Board is vested with all powers of the Authority for the purpose of

concluding and dissolving the business affairs of the Authority. The decision of the Board under this Article shall be final.

(a) The debts, liabilities and obligations of the Authority shall not be the debts, liabilities and obligations of the Members Agencies. Any Member Agency may separately contract for, or assume responsibility for, specific debts, liabilities or obligations of the Authority. Pursuant to Section 895.2 of the Government Code, the Member Agencies may be jointly and severally liable for any liability which is imposed by any law for injury caused by a negligent or wrongful act or omission occurring in the performance of this Agreement. In the event that such liability arises out of a negligent or wrongful act or omission with respect to a negligent or wrongful act or omission with respect to an Insurance Program, the Member Agencies hereby provide, pursuant to Section 895.6 of the Government Code, that such liability shall be borne by the Member Agencies participating in such Insurance Program in the same proportion as administrative expenses of the Insurance Program are allocated among such participating Member Agencies at the time the liability is determined. In the event a Member Agency is held liable upon any judgment for damages caused by such an act or omission and makes payment in excess of its proportional share, as determined in the preceding sentence, such Member Agency is entitled to reimbursement from each of the Member Agencies which have not paid their proportional share.

(b) The members of the Board, officers and committee members of the Authority shall use ordinary care and reasonable diligence in the exercise of their powers and in the performance of their duties pursuant to this Agreement, they shall not be liable for any mistake of judgment or any other action made, taken or omitted by any agent, employee or independent contractor selected with reasonable care, nor for loss incurred through investment of Authority funds, or failure to invest. No director, officer or committee member shall be responsible for any action taken or omitted by any other director, officer or committee member. No director, officer or committee member shall be required to give a bond or other security to guarantee the faithful performance of his or her duties to this Agreement.

The Authority shall provide each Member Agency with the address of such officers promptly after their election or appointment.

## **ARTICLE 26. PROHIBITION AGAINST ASSIGNMENT**

No Member Agency may assign any right, claim, or interest it may have under this Agreement, and any purported assignment shall be void. No creditor, assignee or third party beneficiary of any Member Agency shall have any right, claim, or title to any part, share, interest, fund, premium or asset of the Authority.

## **ARTICLE 27. AMENDMENT TO AGREEMENT**

This Agreement may be amended from time to time with the consent of a majority of the Member Agencies voting on the proposed amendment, so long as not less than 51% of the Member Agencies have voted, acting through their legislative bodies, and in compliance with all applicable requirements of the Joint Powers Law. Any amendment of this Agreement shall become effective upon receipt by the Authority of notice of the approval of such amendment by the legislative bodies of a majority of the Member Agencies voting on the proposed amendment, so long as not less than 51% of the Member Agencies have voted, and satisfaction of the applicable requirements of the Joint Powers Law.

## **ARTICLE 28. AGREEMENT COMPLETE**

**SECTION 4.1 Term and Termination.** The Term of this Agreement shall commence on the

Such Premium amounts as calculated by the General Manager shall become final upon approval of the Governing Board.

On or prior to April 1 of each year, upon receipt of the annual report of the Qualified Claims Auditor pursuant to Sections 7.1 and 7.2, the Authority shall determine the amount of Case Reserves for all Claims to be established or adjusted with respect to all prior Coverage Periods as set forth in the report of the Qualified Claims Auditor. On or prior to April 15 of each year the Authority shall determine, based upon the establishment or adjustment of such Case Reserves, the Premium Adjustment for each Participating Member Agency, which may be either an assessment of additional amounts due or a refund of Premium or Premium Adjustments paid in prior Coverage Periods.

(b) Manner of Determination. Premium Adjustments shall be determined as follows:

(i) Premium Adjustments with respect to any Coverage Period are intended to provide a matching of outstanding Case Reserves required with respect to each Coverage Period, with the sum of amounts paid as Premium, or which were paid or refunded as Premium Adjustments, and certain investment earnings on amounts with respect to such Coverage Period;

(ii) the Premium Adjustment determined with respect to any Participating Member Agency with respect to any Coverage Period shall be equal to that Participating Member Agency's Premium Proportion for that Coverage Period multiplied by the total of all Premium Adjustments determined by the Qualified Claims Auditor with respect to that Coverage Period. In no event shall Premium Adjustment refunds for any Coverage Period, in the aggregate, exceed fifty percent (50%) of the Premiums paid and Premium Adjustment assessments scheduled to be paid by all Participating Member Agencies towards such Coverage Period; however, after all known claims in a Coverage Period are closed, all remaining surplus may be refunded proportionately according to each Participating Member Agency's Premium Proportion for that Coverage Period.

(iii) the Premium Adjustment for investment earnings on the Central Loss Fund, if any, shall be allocated according to the ratio of Premium paid by each Participating Member Agency in all Coverage Periods to Premium paid by all Participating Member Agencies in all Coverage Periods;

(c) Premium Adjustments and Commercial Insurance and Reinsurance.

(i) Except as set forth immediately, below, and except to the extent such obligations or rights which may arise under such commercial insurance or reinsurance, no Participating Member Agency shall have any obligation to pay and no right to receive Premium Adjustments with respect to any Coverage for which the Authority has purchased commercial insurance or reinsurance on behalf of such Participating Member Agency.

(ii) In the event the Authority is obligated, as set forth in Section 2.2, to pay amounts due on Claims from moneys in the Central Loss Fund due to the failure or refusal of any commercial insurer or reinsurer to pay all or a portion of any covered Claims to which such insurance or reinsurance applies, the Participating Member Agencies shall be obligated to pay Premium Adjustments with respect to such payments.

SECTION 5.6 No Withholding. Notwithstanding any dispute between the Authority and a Participating Member Agency, or any dispute between the Authority or any Participating Member Agency and any commercial insurer or reinsurer, each Participating Member Agency shall make all Premium and Premium Adjustments payments when due and shall not withhold any Premium or

Premium Adjustments payments pending the final resolution of such dispute.

SECTION 5.7 Appeal of Premium Amounts. The Governing Board of the Authority may establish an appeal process for the challenge of any Premiums or Premium Adjustments imposed under this Agreement, but such appeal may be based solely on financial hardship of the Participating Member Agency.

SECTION 5.8 Interest Rate on Overdue Payments. In the event a Participating Member Agency fails to make any of the payments required in this Article, the payment in default shall continue as an obligation of the Participating Member Agency until the amount in default shall have been fully paid, and in addition to any remedies available with respect to such default, the Participating Member Agency agrees to pay the same with interest thereon, at five percent (5%) per annum, but not to exceed the highest rate permitted by law, from the date such amount was originally payable.

## **ARTICLE VI PAYMENT OF ADMINISTRATIVE COSTS AND CLAIMS**

SECTION 6.1 Payment of Administrative Costs. Payment of administrative costs associated with this Agreement shall be made from the moneys deposited with the Treasurer in the Operating Fund established in accordance with the terms of the Joint Powers Agreement and shall be disbursed in accordance and upon compliance therewith.

SECTION 6.2 Payment of Claims. The Authority shall establish a Central Loss Fund for the payment of Claims. Claims shall be paid upon submission to the Treasurer of properly completed requisitions executed by the Authority requesting such payment from moneys in the Central Loss Fund held by the Treasurer. Requisitions shall be paid by the Treasurer in the sequential order received. Payment of Claims shall be made solely from any moneys in the Central Loss Fund, including Loss Reserves and Undesignated Reserves as provided in Article VII. If at any time sufficient moneys are not on deposit in the Central Loss Fund to pay in full any Claim upon submission to the Treasurer of a properly completed requisition as described herein, such requisition for payment shall be paid in part to the extent of available moneys in the Central Loss Fund and the Treasurer shall promptly give notice of such insufficiency to the Authority, who shall in turn give prompt notice to all Participating Member Agencies, that such an event has occurred.

## **ARTICLE VII CASE RESERVES AND LOSS RESERVES**

SECTION 7.1 Case Reserves. Each year the Authority shall retain a Qualified Claims Auditor for the purpose of submitting an annual report to the Authority on or prior to each to January 1 of setting forth (a) the amount of Case Reserves necessary to be established with respect to each Claim arising during the preceding full Coverage Period and a breakdown of the amount of Case Reserves applicable to each Risk Sharing Pool, and (b) any adjustments (whether upward or downward) necessary to be made in the amount of each Case Reserve previously established pursuant to this Section. In determining the amount of Case Reserves necessary to be established or adjusted as described above, the Qualified Claims Auditor shall consider (a) the recommendations of the Liability Claims and Underwriting Committee of the Authority, (b) the annual report of the Qualified Claims Auditor, and (c) such facts and circumstances occurring during the period covered by such report as it, in its independent judgment, deems necessary in accordance with prudent liability coverage practices. There shall be no Case Reserves established for a Claim or any portion thereof within a Participating Member Agency's deductible amount, or which is covered by commercial insurance or reinsurance

SECTION 7.2 Loss Reserves. The Authority shall direct the Treasurer to establish or adjust Loss Reserves in the Central Loss Fund. Loss Reserves shall be initially established for each Coverage Period at the time the Premium is due with respect to such Coverage Period in accordance with the report prepared by an Actuary on or before January 1 of each year. Adjustments in subsequent Coverage Periods to Loss Reserves previously established shall be based only upon establishment of and adjustments to Case Reserves in accordance with the report of the Qualified Claims Auditor described above. Such report of the Qualified Claims Auditor shall be in a form such that Premium Adjustments can be determined for each Participating Member Agency, Coverage Period, and Risk Sharing Pool. The Authority may direct the Treasurer to establish Loss Reserves in excess of those designated in the reports of the Actuary and Qualified Claims Auditor if the Authority determines with the Qualified Claims Auditor the existence of such facts and circumstances occurring during the period covered by such report which deem it necessary to establish excess reserves in accordance with prudent liability coverage practices. Such annual adjustment shall be made on the April 1 following receipt of the annual report of the Qualified Claims Auditor. The parties acknowledge that under certain circumstances it will be necessary to establish Case Reserves in excess of the amounts then on deposit in the Central Loss Fund. In such event, such Case Reserves will nevertheless be established as provided in this Section and funded, through the payment of Premium Adjustments, as provided in Section 5.5 hereof.

SECTION 7.3 Priority. Upon the payment of any Claim from amounts on deposit in the Central Loss Fund such amounts shall be deemed reduced in the following order of priority: first, from Case Reserves established to pay such Claim; second, from Loss Reserves other than Case Reserves; third, from Undesignated Reserves; and fourth, from designated Case Reserves established to pay other Claims (pro rata among such other Case Reserves on the basis of the respective amounts of such Case Reserves).

SECTION 7.4 Investment Earnings. Investment earnings retained in the Central Loss Fund shall be credited first to replenish designated Loss Reserves which have previously been reduced to pay other Claims, and then to Undesignated Reserves. Amounts designated as Loss Reserves shall not be increased except as provided in this Section.

## **ARTICLE VIII ADMISSION AND WITHDRAWAL FROM THIS AGREEMENT**

SECTION 8.1 Procedures for Admission. The Authority shall permit a Member Agency to become a Participating Member Agency under this Agreement as follows:

- (a) Not later than the February 1 preceding the first Coverage Period for which the applicant Member Agency desires Coverage, the Member Agency must submit a completed application for Coverage.
- (b) The Authority shall obtain a certificate from an Actuary that admission of the applicant Member Agency will not adversely affect the actuarial soundness of the Risk Sharing Pool in which the applicant Member Agency wishes to participate.
- (c) A qualified insurance claims consultant-broker shall review the underwriting history of the applicant Member Agency and provide to the Authority and the underwriting committee of the Authority a written opinion as to whether providing Coverage to the applicant Member Agency will or will not constitute a hazardous or unacceptable risk or loss exposure to the Authority, and why. Such opinion shall include at least the past five (5) years of claims and the litigation history of the applicant Member Agency, including trial or arbitration verdicts and awards.

(d) At the discretion of the Authority's Governing Board, the applicant Member Agency may be assessed an annual surcharge or fee or be required to make a deposit into the Central Loss Fund by the Authority as a condition to its admission to this Agreement.

(e) The Authority's Governing Board shall, by at least a majority vote, approve admission of the applicant Member Agency as a Participating Member Agency and execute this Agreement.

(f) The applicant Member Agency must execute this Agreement, at which time the applicant Member Agency shall become a Participating Member Agency, and shall become bound and obligated to comply with all of the terms and conditions of this Agreement, including the obligation to pay Premiums and Premium Adjustments as set forth herein.

(g) The new Participating Member Agency must pay its initial Premium and any surcharge or fee or deposit required by the Governing Board on or before the first Payment Date next succeeding the date of execution of this Agreement by such Participating Member Agency and the Authority. Coverage of the new Participating Member Agency shall become effective on the first day of the Coverage Period next succeeding the date of execution of this Agreement by such Participating Member Agency and the Authority

#### SECTION 8.2 Procedures for Withdrawal.

(a) Procedure for Withdrawal. A Participating Member Agency may withdraw from this Agreement by submitting a written request to withdraw. If the Participating Member Agency is not in default as set forth in Section 11.1, the Participating Member Agency's withdrawal shall become effective on the last day of the Coverage Period which first commenced within the twelve (12) month period following the request to withdrawal. Once a request to withdraw has been submitted to the Authority, withdrawal shall be revocable only with the consent of the Authority.

(b) Effect of Withdrawal. Effective upon on the date of withdrawal, all Coverage obligations of the Authority shall cease and the withdrawn agency shall have no further obligation to pay Premiums towards any subsequent Coverage Periods. However, any withdrawn agency shall still remain obligated to pay: (i) all fees and expenses assessed the Authority as a result its withdrawal, (ii) Premium Adjustments respect to Coverage Periods applicable to the agency prior to its withdrawal, (iii) all consequential damages incurred by the Authority a result of any failure of the agency to pay future Premium Adjustments when due. In the event a withdrawn agency has failed to pay all such amounts when due, any future Premium Adjustment refunds owed the withdrawn agency shall be credited against all amounts due and outstanding, and the withdrawn agency shall not be entitled to receive Premium Adjustment refunds until all amounts due have been paid or credited in full. Such credits shall be applied first towards any consequential damages incurred by the Authority and then towards Premium Adjustment amounts due in chronological order, with Premium Adjustments amounts due toward older Coverage Periods being paid first. The Authority shall be under no obligation to pay Claims or otherwise provide Coverage to any withdrawn agency with respect to Coverage Periods in which a Premium Adjustment has been assessed but not paid.

### **ARTICLE IX EVENTS OF DEFAULT AND REMEDIES**

SECTION 9.1 Events of Default. The following shall be "Events of Default" under this Agreement and the terms "Events of Default" and "Default" shall mean, whenever they are used in this Agreement

with respect to a Participating Member Agency, any one or more of the following events:

- (a) failure by a Participating Member Agency to pay the Premium or Premium Adjustment on or before the Payment Date;
- (b) failure by a Participating Member Agency to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, or any Memorandum of Coverage, other than as referred to in subsection 9.1(a), above, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to such Participating Member Agency by the Authority; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Authority shall not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Participating Member Agency within the applicable period and diligently pursued until the default is corrected; or
- (c) the filing by a Participating Member Agency of a case in bankruptcy, or the subjection of any right or interest of such Participating Member Agency under this Agreement to any execution, garnishment or attachment, or adjudication of such Participating Member Agency as a bankrupt, or assignment by such Participating Member Agency for the benefit of creditors, or the entry by such Participating Member Agency into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Participating Member Agency in any proceedings instituted under the provisions of the federal bankruptcy code, as amended, or under any similar act which may hereafter be enacted.

SECTION 9.2 Remedies Upon Default. In the Event of Default of any Participating Member Agency, it shall be lawful for the Authority to exercise any and all remedies available pursuant to law or granted pursuant to this Agreement, including but not limited to expulsion of such defaulting Participating Member Agency as set forth below. Upon the occurrence of any Event of Default as a result of the failure to pay any Premium or Premium Adjustment as described in subsection 9.1(a), the Authority shall, subject to the procedures set forth in Section 9.3, cancel all Coverage rights of the defaulting Participating Member Agency for the portion of the then-current Coverage Period commencing with the Event of Default and ending with its cure.

SECTION 9.3 Cancellation of Coverage. The Governing Board of the Authority, may, by at least a majority vote, approve the cancellation of Coverage for any Participating Member Agency in the Event of Default as a result of the failure to pay any Premiums or Premium Adjustment as described in subsection 9.1(a). Such cancellation shall become effective upon ten (10) days' written notice of such cancellation to the defaulting Participating Member Agency.

SECTION 9.4 Expulsion.

- (a) Procedure for Expulsion. Upon an Event of Default of a Participating Member Agency, the Governing Board of the Authority, may, by at least a majority vote, approve the expulsion of the Participating Member Agency this Agreement. The expulsion shall become effective sixty (60) days after written notice of expulsion is given to the defaulting Participating Member Agency; provided, however, that only ten (10) days' written notice need be given to any Participating Member Agency who is in default as a result of the failure to pay any Premium or Premium adjustment as described in subsection 11.1(a).

(b) Alternative to Expulsion. Upon an Event of Default as described in subsections 9.1(a) or (b), in the sole discretion of the Governing Board, the Authority may provide the defaulting Participating Member Agency with the option to pay penalty fee equal to 25% of the defaulting Participating Member Agency's Premium for the Current Coverage period in lieu of expulsion. If such option is authorized by the Governing Board, notice of such option shall be provided to the defaulting Participating Member along with the required notice of expulsion as set forth in subsection 11.4(a), above. In such event, the expulsion of the defaulting Participating Member Agency shall nonetheless become effective if the defaulting Participating Member Agency fails to pay the penalty fee and to cure the default within the notice period set forth in subsection 9.4(a), above.

(c) Effect of Expulsion. Effective upon on the date of expulsion, all Coverage obligations of the Authority shall cease and the expelled agency shall have no obligation to pay Premiums towards any subsequent Coverage Periods. However, any expelled agency shall still remain obligated to pay: (i) Premium Adjustments respect to Coverage Periods applicable to the expelled agency prior expulsion and (ii) all consequential damages incurred by the Authority a result of the agency's default under this Agreement. In the event an expelled agency has failed to pay all such amounts when due, any Premium Adjustment refunds due to said expelled agency shall be credited against all amounts due and outstanding, and said expelled agency shall not be entitled to receive Premium Adjustment Refunds until all amounts due and outstanding have been paid or credited in full. Such credits shall be applied first towards any consequential damages incurred by the Authority and then towards Premium Adjustment amounts due in chronological order, with Premium Adjustment amounts due towards older Coverage Periods being paid first. The Authority shall be under no obligation to pay Claims or otherwise provide Coverage to any expelled agency with respect to any Coverage Periods in which a Premium Adjustment has been assessed but not paid.

SECTION 9.5 No Remedy Exclusive. No remedy conferred herein upon or reserved to the Authority is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be required in this Article or by law

## **ARTICLE X INDEMNIFICATION; DISCLAIMER**

SECTION 10.1 Release and Indemnification. Each Participating Member Agency shall and hereby agrees to indemnify and save the Authority and all other Participating Member Agencies and each of their respective governing boards, officers, agents, employees, successors or assigns, harmless from and against all claims, losses and damages, including legal fees and expenses, arising out of (i) such Participating Member Agency's breach or default in the performance of any of its obligations under this Agreement or (ii) any act or negligence of the Participating Member Agency or its governing boards, officers, agents, employees, successors or assigns arising out of this Agreement, but not including Claims. No indemnification is made under this Section or elsewhere in this Agreement for claims, losses or damages, including legal fees and expenses to the extent arising out of the willful misconduct, negligence, or breach of duty under this Agreement by the Authority or any other Participating Member Agency, or their respective governing boards, officers, agents, employees, successors or assigns. The provisions of this Section 9.1 shall survive expiration or termination of this Agreement.

SECTION 11.7 Severability. In the event any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

SECTION 11.8 Further Assurances and Corrective Instruments. The Authority and the Participating Member Agencies agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Coverage hereby provided or intended so to be or for carrying out the expressed intention of this Agreement.

**EXHIBIT B**  
**METHODOLOGY FOR CALCULATING PREMIUM PROPORTION**

The Actuary should consider the loss experience and exposures of the Participating Member Agencies as well as the experience of other California fire protection districts, other public agencies, and other risks, as appropriate. The Actuary should consider, as appropriate, the experience of the great many claims for small amounts, the less frequent claims for large amounts, and the highly infrequent claims for very large amounts.

The Actuary should estimate the frequency and average cost of claims, unless it is more appropriate to deal directly with the loss rate itself. Additional analyses should be considered when appropriate.

In particular, the Actuary should use models of the loss process whenever doing so would improve the accuracy of the result in a meaningful way.

The Actuary should clearly state the assumptions regarding loss development, the trend in frequency of claims and the average cost per claim, the payout of losses, the interest rate to be earned on the premiums, and other appropriate factors that underlie the calculations.

The Actuary should consider the impact of changes in the claim environment, including, but not limited to, what the data indicates about loss cost inflation; changes in the cost of living (e.g., CPI); changes in the observed frequency of claims; changes in litigation rates; changes in court precedents; changes in the legislative environment; and changes in exposures or hazards.
