### **BIDDER'S REPRESENTATIONS**

- 2.1 Bidder, by making a Bid, represents that:

2.1.1 Bidder has read, understood, and made the Bid in accordance with the provisions of the Bidding Documents.

2.1.2 Bidder has visited the Project site and is familiar with the conditions under which the Work is to be performed and the local conditions as related to the requirements of the Contract Documents.

2.1.3 The Bid is based upon the materials, equipment, and systems required by the Bidding Documents without exception.

2.1.4 At the time of submission of the Bid, Bidder and all Subcontractors, regardless of tier, have the appropriate current and active licenses issued by the State of California Contractors State License Board for the Work to be performed and any licenses specifically required by the Bidding Documents. If Bidder is a joint venture, at the time of submission of the Bid, Bidder shall have the licenses required by the preceding sentence in the name of the joint venture itself. The State of California Business and Professions Code, Division 3, Chapter 9, known as the "Contractor's License Law," establishes licensing requirements for contractors.

2.1.5 Bidder has read and shall abide by the nondiscrimination requirements contained in the Bidding Documents.

2.1.6 Bidder has the expertise and financial capacity to perform and complete all obligations under the Bidding Documents.

2.1.7 The person executing the Bid Form is duly authorized and empowered to execute the Bid Form on behalf of Bidder.

2.1.8 Bidder is aware of and, if awarded the Contract, will comply with Applicable Code Requirements in its performance of the Work.

### **ARTICLE 3**

### **BIDDING DOCUMENTS**

#### **3.1 COPIES**

3.1.1 Bidders may obtain complete sets of the Bidding Documents from the link provided from the Central Fire District of Santa Cruz County Website at <https://www.centralfiresc.org>

3.1.2 Bidders shall use a complete set of Bidding Documents in preparing Bids.

#### **3.2 INTERPRETATION OR CORRECTION OF BIDDING DOCUMENTS**

3.2.1 Bidder shall, before submitting its Bid, carefully study and compare the components of the Bidding Documents and compare them with any other work being bid concurrently or presently under construction which relates to the Work for which the Bid is submitted; shall examine the Project site, the conditions under which the Work is to be performed, and the local conditions; and shall at once report to Central Fire District's Representative errors, inconsistencies, or ambiguities discovered. If Bidder is awarded the Contract, Bidder waives any claim arising from any errors, inconsistencies or ambiguities, that Bidder, its subcontractors or suppliers, or any person or entity under Bidder on the Contract became aware of, or reasonably should have become aware of, prior to Bidder's submission of its Bid.

3.2.2 Requests for clarification or interpretation of the Bidding Documents shall be addressed only to the person or firm designated in the Instructions to Bidders.

3.2.3 Clarifications, interpretations, corrections, and changes to the Bidding Documents will be made by Addenda issued as provided in Article 3.5. Clarifications, interpretations, corrections, and changes to the Bidding Documents made in any other manner shall not be binding and Bidders shall not rely upon them.

### **3.3 PRODUCT SUBSTITUTIONS**

3.3.1 No substitutions will be considered prior to award of Contract. Substitutions will only be considered after award of the Contract and as provided for in the Contract Documents.

### **3.4 SUBCONTRACTORS**

3.4.1 Each Bidder shall list in the Bid Form all first-tier Subcontractors that will perform work, labor or render such services as defined in Article 9 of the Bid Form. The Bid Form contains spaces for the following information when listing Subcontractors: (1) portion of the Work; (2) name of Subcontractor; (3) city of Subcontractor's business location; (4) California contractor license number. An inadvertent error in listing the California contractor license number shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive if the corrected contractor's license number is submitted in writing by, and actually received from, the Bidder within 24 hours after the bid opening and provided the corrected contractor's license number corresponds to the submitted name and location for that subcontractor. The failure to list, on the Bid Form, any one of the items set forth above will result in the Central Fire District treating the Bid as if no Subcontractor was listed for that portion of the Work and Bidder will thereby represent to Central Fire District that Bidder agrees that it is fully qualified to perform that portion of the Work and shall perform that portion of the Work.

3.4.2 Subcontractors listed in the Bid Form shall only be substituted after the Bid Deadline with the written consent of the Central Fire District and in accordance with the State of California "Subletting and Subcontracting Fair Practices Act."

### **3.5 ADDENDA**

3.5.1 Addenda will be issued only by the Central Fire District and/or its representatives and only in writing. Addenda will be identified as such and will be mailed or delivered to all Plan holders. At its sole discretion, the Central Fire District may elect to deliver Addenda via email to Plan holders who have provided an email address for receipt of Addenda.

3.5.2 Copies of Addenda will be made available for inspection wherever Bidding Documents are on file for inspection.

3.5.3 Addenda will be issued such that Plan holders should receive them no later than 5 full business days prior to the Bid Deadline. Addenda withdrawing the request for Bids or postponing the Bid Deadline may be issued any time prior to the Bid Deadline. Bid Deadline noted in Supplementary Instructions to Bidders- Notice to Bidders Dates.

3.5.4 Each Bidder shall be responsible for ascertaining, prior to submitting a Bid, that it has received all issued Addenda.

### **3.6 BUILDER'S RISK PROPERTY INSURANCE**

3.6.1 The Central Fire District will provide builder's risk property insurance subject to the deductibles in the policy as required by the General Conditions if the Contract Sum exceeds \$300,000 at the time of award and the requirements of the Project are not excluded by such coverage. The policy may be reviewed at the Central Fire District office. Bidder agrees that the Central Fire District's provision of builder's risk property insurance containing said provisions meets the Central Fire District's obligation to provide builder's

risk property insurance under the Contract and, in the event of a conflict between the provisions of the policy and any summary or description of the provisions contained herein or otherwise, the provisions of the policy shall control and shall be conclusively presumed to fulfill the Central Fire District's obligation to provide such insurance.

## **ARTICLE 4**

### **PRE-BID CONFERENCE**

4.1 Bidder shall attend the Pre-Bid Site Walk at which the requirements of the Bidding Documents are reviewed by The Central Fire District, comments and questions are received from Bidders, and a Project site visit is conducted. The Central Fire District requires all Pre-Bid Site Walk attendees to arrive for the meeting on time and to sign an attendance list both prior to conference start, and at conference conclusion, which in turn is used to determine if Bidders meet this requirement. Any Bidder not attending the Pre-Bid Site Walk in its entirety will be deemed to have not complied with the requirements of the Bidding Documents and its Bid will be rejected.

## **ARTICLE 5**

### **BIDDING PROCEDURES**

#### **5.1 FORM AND STYLE OF BIDS**

5.1.1 Bids shall be submitted on the Bid Form included with the Bidding Documents. Bids not submitted on the Central Fire District's Bid Form shall be rejected.

5.1.2 The Bid Form shall be filled in legibly in ink or by typewriter/computer. All portions of the Bid Form must be complete, and the Bid Form must be signed before the Bid is submitted. Failure to comply with the requirements of this Article 5.1.2 will result in the Bid being rejected as nonresponsive.

5.1.3 Bidder's failure to submit a price for any Alternate or Unit Price will result in the Bid being considered as nonresponsive. If Alternates are called for and no change in the Lump Sum Base Bid is required, indicate "No Change" by marking the appropriate box.

5.1.4 Bidder shall make no stipulations on the Bid Form nor qualify the Bid in any manner.

5.1.5 The Bid Form shall be signed by a person or persons legally authorized to bind Bidder to a contract. Bidder's Representative shall sign and date the Declaration included in the Bid Form. Failure to sign and date the declaration will cause the Bid to be rejected.

#### **5.2 BID SECURITY**

5.2.1 Each Bid shall be accompanied by Bid Security in the amount of 10% of the Lump Sum Base Bid as security for Bidder's obligation to enter into a Contract with Central Fire District on the terms stated in the Bid Form and to furnish all items required by the Bidding Documents. Bid Security shall be a Bid Bond on the form provided and included herein, or a certified check made payable to "The Central Fire District of Santa Cruz County". When a Bid Bond is used for Bid Security, failure to use Central Fire District's Bid Bond form will result in the rejection of the Bid. Bidder must use the Bid Bond form provided by the Central Fire District or an exact, true and correct photocopy of such form. The Bid Bond form may not be

retyped, reformatted, transcribed onto another form, or altered in any manner except for the purpose of completing the form.

5.2.2 If the apparent lowest responsible Bidder fails to sign the Agreement and furnish all items required by the Bidding Documents within the time limits specified in these Instructions to Bidders, The Central Fire District may reject such Bidder's Bid and select the next apparent lowest responsible Bidder until all Bids have been exhausted or the Central Fire District may reject all Bids. The Bidder whose Bid is rejected for such failure(s) shall be liable for and forfeit to the Central Fire District for the amount of the difference, not to exceed the amount of the Bid Security, between the amount of the Bid of the Bidder so rejected and the greater amount for which the Central Fire District procures the Work.

5.2.3 If a Bid Bond is submitted, the signature of the person executing the Bid Bond must be notarized. If an attorney-in-fact executes the Bid Bond on behalf of the surety, a copy of the current power of attorney bearing the notarized signature of the appropriate corporate officer shall be included with the Bid Bond. Additionally, the surety issuing the Bid Bond shall be, on the Bid Deadline, an admitted surety insurer (as defined in the California Code of Civil Procedure Section 995.120).

5.2.4 Bid Security will be returned after the contract has been awarded. Notwithstanding the preceding, if a Bidder fails or refuses, within 10 days after receipt of notice of selection, to sign the Agreement or submit to the Central Fire District all of the items required by the Bidding Documents, The Central Fire District will retain that Bidder's Bid Security. If the Bid Security is in the form of a Bid Bond, the Bid Security will be retained until the Central Fire District has been appropriately compensated; if the Bid Security is in the form of certified check, the Central Fire District will negotiate said check and after deducting its damages, return any balance to Bidder.

### **5.3 SUBMISSION OF BIDS**

5.3.1 The Bid Form, Bid Security and all other documents required to be submitted with the Bid shall be enclosed in a sealed opaque envelope. The envelope shall be addressed to the office designated in the Supplementary Instructions to Bidders for receipt of Bids. The envelope shall be identified with the Project name, Bidder's name and address, and, if applicable, the designated portion of the Project for which the Bid is submitted. If the Bid is sent by mail, the sealed envelope shall be enclosed in a separate mailing envelope with the notation "SEALED BID ENCLOSED" on the face thereof.

5.3.2 Bids shall be deposited at the designated location on or before the Bid Deadline. A Bid received after the Bid Deadline will be returned to Bidder unopened.

5.3.3 Bidder shall assume full responsibility for timely delivery at the location designated for receipt of Bids.

5.3.4 Oral, telephonic, facsimile, or telegraphic Bids are invalid and will not be accepted.

### **5.4 MODIFICATION OR WITHDRAWAL OF BID**

5.4.1 Prior to the Bid Deadline, a submitted Bid may be modified or withdrawn by notice to the Central Fire District receiving Bids at the location designated for receipt of Bids. Such notice shall be in writing over the signature of Bidder and, in order to be effective, must be received on or before the Bid Deadline. A modification so made shall be worded so as not to reveal the amount of the original Bid.

5.4.2 A withdrawn Bid may be resubmitted on or before the Bid Deadline, provided that it then fully complies with the Bidding Requirements.

5.4.3 Bid Security shall be in an amount sufficient for the Bid as modified or resubmitted.

5.4.4 Bids may not be modified, withdrawn, or canceled within 60 days after the Bid Deadline unless otherwise provided in Supplementary Instructions to Bidders.

## **ARTICLE 6**

### **CONSIDERATION OF BIDS**

#### **6.1 OPENING OF BIDS**

6.1.1 Bids which have the required identification as stipulated in Article 5.3.1 and are received on or before the Bid Deadline will be opened at the designated office location.

#### **6.2 REJECTION OF BIDS**

6.2.1 The Central Fire District will have the right to reject all Bids.

6.2.2 The Central Fire District will have the right to reject any Bid not accompanied by the required Bid Security or any other item required by the Bidding Documents, or a Bid which is in any other way incomplete or irregular.

#### **6.3 AWARD**

6.3.1 The Central Fire District will have the right, but is not required, to waive nonmaterial irregularities in a Bid. If the Central Fire District awards the Contract, it will be awarded to the responsible Bidder submitting the lowest responsive Bid as determined by the Central Fire District and who is not rejected by the Central Fire District for failing or refusing, within 10 days after receipt of notice of selection, to sign the Agreement or submit to the Central Fire District all of the items required by the Bidding Documents.

**6.3.2** The Central Fire District will have the right to accept Alternates in any order or combination, unless otherwise specifically provided in the Bidding Documents. The opening of Bids and evaluation of Alternates will be conducted in accordance with a procedure that, at the Central Fire District's option, either (i) prescribes, prior to the time of Bid opening, the order in which Alternates will be selected or (ii) prevents, before the determination of the apparent low Bidder has been made, information that would identify which Bid belongs to which Bidder from being revealed to the representative of the Central Fire District selecting the Alternates to be used in determining the low Bidder. After determination of the apparent low Bidder has been made, Central Fire District will publicly disclose the identity of each Bidder that submitted a Bid and the amount of each such Bid.

6.3.3 The Central Fire District will determine the low Bidder on the basis of the sum of the Lump Sum Base Bid plus all Unit Prices multiplied by their respective Estimated Quantities as stated in the Bid Form, if any, plus the daily rate for Compensable Delay multiplied by the "multiplier" as stated in the Bid Form, plus the amounts of all Alternates to be included in the Contract Sum at the time of award.

The Contract Sum will be the sum of the Lump Sum Base Bid and the additive or deductive amounts for all Alternates that the Central Fire District has elected to be included in the Contract Sum as of the time of award.

6.3.4 Central Fire District will post the Bid results on the Central Fire District of Santa Cruz County website.

6.3.5 Central Fire District will select the apparent lowest responsive and responsible Bidder and notify such Bidder on Central Fire District's form within 30 days (unless the number of days is modified in

Supplementary Instructions to Bidders) after the Bid Deadline or reject all Bids. Within 10 days after receipt of notice of selection as the apparent lowest responsive and responsible Bidder, Bidder shall submit to Central Fire District all List of Documents to be Executed and Submitted with Bid, as noted in the Instructions to Bidders and including the following items:

- .1 Three originals of the Agreement signed by Bidder.
- .2 Three originals of the Payment Bond required under Article 11 of the General Conditions.
- .3 Three originals of the Performance Bond required under Article 11 of the General Conditions.
- .4 Certificates of Insurance Central Fire District required under Article 11 of the General Conditions.
- .5 Name of, qualifications of, and references for the Superintendent proposed for the Work.
- .6 Names of all Subcontractors, with their addresses, telephone number, facsimile number, contact person, portion of the Work, California contractor license number, and designation of any Subcontractor as a Small Business Enterprise (SBE), Disadvantaged Business Enterprise (DBE), Women-owned Business Enterprise (WBE) and Disabled Veteran Business Enterprise (DVBE) on Report of Subcontractor Information in the form contained in the Exhibits.
- .7 Preliminary Contract Schedule as required under Article 3 of the General Conditions.
- .8 If Bidder wishes to utilize securities in lieu of retention beginning with the first Application for Payment, Selection of Retention Options accompanied by a completed Escrow Agreement for Deposit of Securities in Lieu of Retention and Deposit of Retention in the form contained in the Exhibits.
- .9 Cost Breakdown as required by Article 9 of the General Conditions.

6.3.6 Prior to award of the Contract, Central Fire District will notify Bidder in writing, if Central Fire District, after due investigation, objects to a Subcontractor or Superintendent proposed by Bidder, in which case Bidder shall propose a substitute acceptable to Central Fire District. Substitution of Superintendent shall be made in accordance with Article 3 of the General Conditions. Substitution of a Subcontractor shall be made in accordance with Article 5 of the General Conditions. Failure of Central Fire District to object to a proposed Superintendent or Subcontractor prior to award shall not preclude Central Fire District from requiring replacement of Superintendent or any Subcontractor based upon information received subsequent to award, information which cannot be properly evaluated prior to award due to time constraints, or information relating to a failure to comply with the requirements of the Contract.

6.3.7 If Bidder submits three originals of the signed Agreement and all other items required to be submitted to Central Fire District within 10 days after receipt of notice of selection as the apparent lowest responsive and responsible Bidder, and if all such items comply with the requirements of the Bidding Documents and are acceptable to Central Fire District, Central Fire District will award the Contract to Bidder by signing the Agreement and returning a signed copy of the Agreement to Bidder.

6.3.8 If Central Fire District consents to the withdrawal of the Bid of the apparent lowest responsive and responsible Bidder, or the apparent lowest responsive and responsible Bidder fails or refuses to sign the Agreement or submit to Central Fire District all of the items required by the Bidding Documents, within

10 days after receipt of notice of selection, or that Bidder is not financially or otherwise qualified to perform the Contract, Central Fire District may reject such Bidder's Bid and select the next apparent lowest responsible Bidder, until all Bids are exhausted, or reject all Bids. Any Bidder whose Bid is rejected because the Bidder has failed or refused, within 10 days after receipt of notice of selection, to sign the Agreement or submit to Central Fire District all of the items required by the Bidding Documents, shall be liable to the Central Fire District for all resulting damages.

## **ARTICLE 7**

### **BID PROTEST**

#### **7.1 FILING A BID PROTEST**

7.1.1 Any Bidder, person, or entity may file a Bid protest. The protest shall specify the reasons and facts upon which the protest is based and shall be in writing and received by the Central Fire District not later than 5:00 pm on the 4<sup>th</sup> business day following:

- .1 if the Bid Form does not contain any Alternate(s), the date of the Bid opening;
- .2 if the Bid Form contains any Alternate(s), the date of posting in a public place of Bid results.

7.1.2 If a Bid is rejected by the Central Fire District, and such rejection is not in response to a Bid protest, any Bidder, person or entity may dispute that rejection by filing a Bid protest (limited to the rejection) in writing and received by the Central Fire District not later than 5:00 pm on the 3<sup>rd</sup> business day following the rejected Bidder's receipt of the notice of rejection.

7.1.3 For the purpose of computing any time period in this Article 7, the date of receipt of any notice shall be the date on which the intended recipient of such notice actually received it. Delivery of any notice may be by any means, with verbal or written confirmation of receipt by the intended recipient.

#### **7.2 RESOLUTION OF BID CONTROVERSY**

7.2.1 Central Fire District will investigate the basis for the Bid protest and analyze the facts. Central Fire District will notify Bidder whose Bid is the subject of the Bid protest of evidence presented in the Bid protest and evidence found as a result of the investigation, and, if deemed appropriate, afford Bidder an opportunity to rebut such evidence, and permit Bidder to present evidence that it should be allowed to perform the Work. If deemed appropriate by Central Fire District, an informal hearing will be held. Central Fire District will issue a written decision within 15 days following receipt of the Bid protest, unless factors beyond Central Fire District's reasonable control prevent such a resolution, in which event such decision will be issued as expeditiously as circumstances reasonably permit. The decision will state the reasons for the action taken by Central Fire District. A written copy of the decision will be furnished to the protestor, the Bidder whose Bid is the subject of the Bid protest, and all Bidders affected by the decision. As used in this Article 7, a Bidder is affected by the decision on a Bid protest if a decision on the protest could have resulted in the Bidder not being the lowest responsible and responsive Bidder for the Contract. A written copy of the Central Fire District's decision must be received by the protestor, the Bidder whose Bid is the subject of the Bid protest, and all Bidders affected by the decision no later than 3 business days prior to award of the contract.

7.2.2 Notwithstanding the provisions of Article 7.2.1, at the election of Central Fire District, a Bid protest may be referred directly to Central Fire District of Santa Cruz County Review Board without prior investigation and review by Central Fire District of Santa Cruz County. The Chair of the Construction Review Board will either decide the Bid protest or appoint a Hearing Officer. If a Hearing Officer is

appointed, the Hearing Officer will review the Bid protest in accordance with the provisions of Article 7.2.4.

7.2.3 Bidder whose Bid is the subject of the protest, all Bidders affected by the Central Fire District's decision on the protest, and the protestor have the right to appeal to the Construction Review Board if not satisfied with Central Fire District's decision. The appeal must be in writing and shall specify the decision being appealed and all the facts and circumstances relied upon in support of the appeal. A copy of the appeal must be received by the Chair, Construction Review Board, not later than 5:00 pm on the 3rd business day following appellant's receipt of the written decision of Central Fire District, at the following address:

Central Fire District of Santa Cruz County / Central Fire District Board  
Director  
930 17<sup>th</sup> Avenue  
Santa Cruz, CA 95062  
Attention: Anthony Cefaloni

Pamela Harnett  
[pharnett@cumming-group.com](mailto:pharnett@cumming-group.com)

Frank Dickinson  
[fdickinson@cumming-group.com](mailto:fdickinson@cumming-group.com)

A copy of the appeal must be sent to all parties involved in the Bid protest and to Central Fire District, to the same address and in the same manner as the original protest. An appeal received after 5:00 pm is considered received as of the next business day. If the final date for receipt of an appeal falls on a Saturday, Sunday, or Central Fire District holiday, the appeal will be considered timely only if received by 5:00 pm on the following business day. The burden of proving timely receipt of the appeal is on the appealing party.

7.2.4 The **Central Fire District Board and their Council**, will review the Central Fire District's decision and the appeal, and issue a written decision, or if appropriate, appoint a Hearing Officer to conduct a hearing and issue a written decision. If a hearing is held, the hearing shall be held not later than the 10th day following the appointment of the Hearing Officer unless the Hearing Officer for good cause determines otherwise. The written decision of the Central Fire District Board and their Council will state the basis of the decision, and the decision will be final and not subject to any further appeal to Central Fire District. The Central Fire District Board and their Council may consult with the Central Fire District General Counsel on the decision as to legal form. Central Fire District will complete its internal Bid protest procedures before award of the Contract.
